

Target Zero Award Achievements in Traffic Safety

Entry Form

- 1. Category – Impaired driving and Seatbelt enforcement**
- 2. Trooper Bradford Moon - badge number 721 – WSP Kelso**
- 3. Contact information: Sergeant Blair Schmidt**
1823 Baker Way
Kelso, WA. 98626

E-mail: blair.schmidt@wsp.wa.gov
Phone: 360-577-2093

- 4. I would like to identify the year to date effort Trooper Bradford Moon displayed in his arrests of both DUIs and restraint enforcement. Trooper Moon from January 1, 2007 to November 15, 2007 has done an extraordinary job in his enforcement efforts in these two categories.**

DUI total = 92
Nights worked = 73

This equals to 1 DUI arrest for every .79 nights worked. This rate is derived by dividing the number of night shifts worked by the number of DUI arrests.

Seatbelt Enforcement: Violations = 867
Arrests = 783
Arrest percentage = 90.3 percent

- 5. Trooper Bradford Moon is an ADAT trooper (Aggressive Driver Apprehension Team) and drives an unmarked patrol car. He contacts a high number of violators and looks for the sign of an unused seatbelt (hanging next to the occupants shoulder) or the usual sign of intoxicant/drug impairment. Since he drives an unmarked patrol car he is able to get closer and observe longer than a trooper in a marked patrol car.**

Enclosed is Trooper Moons FOB summary for the year 2007 to support these numbers.
